

Crochet Cord

			
	<p>4 single crochet in magic ring.</p>		<p>From now on you'll crochet from the inside out. Pick up the outer link of the next stitch and make a single crochet.</p>
			
	<p>Then a single crochet into the next and the next stitch. Very soon you'll notice a four sided cord. Keep going until you reach the desired length. Fasten off and weave in ends.</p>		<p>The cord hardly gives and doesn't twist.</p>
